Your PPT and the presentation should consist of:

- Your TB2 (PPT and presentation) will be graded based on the creativity, the language items you use (vocabulary, grammar, pronunciation & fluency in English), and the content (whether you include the items asked and able to connect them well).
- **BE CREATIVE** on your PPT and Presentation. For your PPT, you can add pictures and videos (remember they are just adds-on, your presentation should rely more on your explanation). However, if they are not yours, you need to write down the source of each picture and video that you use.
